

PRE-CLOSING ROOM INSPECTIONS

Rooms will be inspected for damages prior to finals week. Before your room is inspected, all posters or other hangings must be removed from walls, ceiling, door (inside and out) and any other surface.

During your room inspection each resident of the room should:

- Be Present In The Room
- Show Room & Mailbox Keys

If damage is observed, the responsible party will be provided info as to damage/repair costs. Where possible, bills will be issued before a student leaves for the summer.
