“Making an Inspirational IMPACT!”

DASL (founded in 2006), stands for “Developing Ambitious Student Leaders.” It is a campus initiative designed to provide students with the opportunity to gain leadership skills and make a positive impact on the campus community. The group plans campus events and community service projects. In addition, DASL collaborates with a wide variety of campus/community departments and organizations including Residence Life, Quest, Multicultural Center, SOLVE, Living Learning Communities, Intramurals, CGA, Minority Affairs, etc...to promote student leadership and development.
