

## Residence Life Campus IMPACT Programming Report - April/May 2008

Date(s)	Event Title & Description (Describe briefly what was held or done)	I	M	PA	C	T	Outcomes: (Describe what either you or students learned from this event)
04/01/08	Penny Wars & Pie Your CA in the Face Fundraiser- raised money for our house keeper's son who has cancer. Rita's Social for winner.			X	X	X	This allowed us all to get together and learn about team work in fundraising.
04/09/08	Baseball Under the Influence - This event was hosted by the Lycoming Hall Staff. The event was supported by the DAWN office staff, to promote alcohol consumption awareness on campus.	X		X		X	The event was geared toward educating the residents about alcohol consumption and its effects. At the end of the discussion the residents played baseball with beer goggles on.
04/10/08	Lycoming Olympics - Wii Play & Pool - This event was hosted by Lycoming Hall. It was a program as part of the Lycoming Olympics series.	X				X	This program allowed participants of the series to continue participating in the games to increase their points. This event allowed more bonding by residents.
04/16/08	"Give a shirt to make a shirt" tye-dye program				X	X	This program taught many residents how to tie-dye. It also gave the residents a chance to interact with other residents from the building. They also donated to the Salvation Army in order to enjoy this event.
04/16/08	Pre-Game Party - Held in monty's, about 40 students attended and were able to play root beer pong with the drunken beer goggles. Students were also given alcohol awareness facts and trivia through pamphlets and reading facts off of an overhead projector.	X		X		X	Residents learned several statistics and facts on alcohol awareness. Residents also had the opportunity to learn tips on Block Partying safe. It was a good turnout, students got the opportunity to play Root-Beer Pong while answering trivia questions.
04/16/08	Dunk Tank for LLC - Raised money for a charitable cause.				X		Raised money while having fun dunking members of the LLC staff as well as professors and CAs.
04/20/08	Social called: <u>POT PARTY!</u> -painted ceramic pots and planted flowers in them	X			X	X	We learned how to care for the flowers that we planted.
04/22/08	Family Feud Game Show				X	X	This program was a great way to get residents away from school work and to relax and have fun for an hour. Many residents had never been to a CA program but are now looking forward to future events. Residents also had to <u>opportunity to win prizes.</u>
04/22/08	Earth Day Trash Pick Up				X		Students learned about the value of recycling, taking pride in one's community, and community service.
04/23/08	Get Lei'd - Sex Jeopardy game	X		X			Gain self-awareness and will develop skills which will allow them to become proactive in personal development-compassion, cooperation, autonomy and investment in self.

4/24/08	Food 4 Thought: a cookout to have fun as well as raise money for Make-A-Wish Foundation		X		X	X	This program was great. Residents hung out with each other and the staff for hours. They learned where their donations were going, and the affects their funds would have.
04/27/08	Weenies on Wheels - Students donated money to have CA Brandon make and deliver hot dogs. All money benefitted the Food Cupboard				X	X	Residents were able to take a break from work and relax to enjoy a delicious hot dog while knowing they were able to help others out with their donation. (Collected a total of \$56.00)
04/28/08	Destress Before Finals - A table was set up where residents could eat and socialize while making destress balls to help them destress before finals.			X		X	We had a very good time at this activity. The residents got to work alongside with myself, and everyone hung out. We made stress balls to help us during finals. This helped us to understand that even though our lives are hectic, we need to take time to relax.
04/28/08	Sand Art in the Montour Lobby - Residents filled bottles and made their own designs with different colors of sand and beads while learning the history and origins of the art	X				X	Residents were able to relax and bond with others from the building while making unique designs with sand.
04/30/08	Finished Mission Central collection		X	X	X	X	Our hall did a project where we collected items for mission central. We put together boxes with school supplies and health supplies to give to mission central, who then send the boxes overseas. The girls really put their heart into purchasing items which was great to see.
April	Autism Awareness Fundraiser				X		This program was a chance for the residents to give back to their community. They raised money by buying food and drinks from a stand in the lobby of Elwell. All the money they raised went straight to a classroom with Autistic children. They now have the budget to buy books to enhance their learning.
March - April	March Madness Tournament in North Hall; I created a pool within the building for prizes among residents					X	Residents got to learn what others thought about basketball and who they wanted to win.
April	Cuts for Cancer: I supported Cuts for Cancer - selling baked goods and cutting residents hair			X	X	X	Cuts for cancer raised money for cancer all weekend for residents at \$5 a cut and baked goods for sale.
04/24/08	Paramore/Jimmy Eat World Concert- yearly concert for students on Upper Campus!					X	Many people went to this concert! It was a lot of fun and a good way to get people together in a safe manner on a night where there's usually trouble.
4/1/08	My Life in Science: An Evening With Meave Leakey	X	X	X		X	A lecture was held in the Haas by Meave Leakey of the prestigious Leakey family. She discussed human ancestry as well as life in Africa. Residents learned a great deal about where they came from.

04/01/08	Meave Leakey - world renowned anthropologist spoke to students at Haas Auditorium about human evolution, what we know and what remains up for debate.	X	X				Residents and I learned about the advances in anthropologic discovery since the approximate mid 1950's until today. We also learned about Leakey's career as one of the first female anthropologists as well as what research and digs are currently being conducted.
04/02/08	President Soltz visit	X					The Ca's of Elwell Hall learned a lot about the President. They learned about his past and got to feel more comfortable being around the President. The President would like to hold this event every year so that he can be
04/04/08	Chelsea Clinton Appearance	X					Residents learned that Hilary Clinton would like to start school for children around the age of 5 and that she would like to end the no child left behind act.
04/04/08	Annual International Students Association Banquet- The International Students of Bloomsburg University celebrated their annual banquet with a fashion show, a talent show and lots more.	X	X		X	X	Students experienced different cultures from, the 52 countries represented in Bloomsburg they also enjoyed cuisine from all the continents present.
04/05/08	Paul Taylor Dance Company - The Paul Taylor dance company is a modern dance group.			X		X	We learned that modern dance, when it was born, was a dance against ballet and grace. All the movements were sharp and they never pointed their toes or made nice movements with their hands.
4/6/08	Empty Bowls -Banquet held in the Kehr Union Ballroom and bowls were sold and the donations were for the homeless.		X	X	X	X	We learned from this event that just buying a bowl of soup can help homeless people.
04/09/08	Dating Violence Sponsored by WRC	X		X		X	Residents learned different types of violance present in some relationships and dating experiences. Cas learned different warning signs to look for in residents
04/10/08	Aging with Grace—Findings from The Nun Study—a program presented to discuss the findings of a study on the effects of Alzheimer's disease and other age-related brain diseases	X		X	X		Attendees learned that if they challenge themselves intellectually, they might have a better chance of fending off Alzheimer's disease and other related diseases as they get older
04/10/08	Country Line Dancing		X			X	Residents learned how to line dance at this event while enjoying the company of fellow residents and CA's.
04/10/08	Women's Choir & Husky Singers Performance					X	The residents took some time away from the last weeks of class to support fellow residents and listen to the talent we have on campus.
04/10/08	SPCA trip for the residents to walk dogs.				X	X	We learned how it is good to give back to the community and help the animals that are not treated very well and end up in these kind of living situations.
04/11/08	Sciences and Health Symposium in Kehr Union Bldg.	X		X		X	It gave me the opportunity to learn of different diseases and see the outcomes of those disease.
4/11/08	Skin Changes in Aging: a lecture by Dermatologist Fred Miller	X	X	X			Residents learned many interesting facts about skin cancer and the sun's actual effects on the aging of the skin. Methods of preventing over-exposure to the sun were also discussed.

04/11/08	Wellness Fair- displayed posters which explained various illnesses and had interactive tables so students could make sure they were healthy.	X		X			Residents learned about almost every type of diseases that existed from elephantisits to scoliosis. There were also stands where people could test their bodies cholestrol, body composition, and much more.
04/12/08	Delta Sigma Theta National Presentation	X				X	I recently crossed into Delta Sigma Theta Sorority, Inc. and many of my residents came to support me at my coming out show. They were able to learn about sorority life and decide if they were interested.
04/12/08	Siblings Weekend Bingo/Karaoke- Held during sibilings weekend, it was a bingo game in the ballroom				X	X	I saw a resident outside of the dorms that I don't get to see outside too often. It was nice to see another side
04/13/08	<i>Evita</i> . Show in Haas. Afterwards, we discussed her life and talked about her influence on Argentina.	X	X			X	My residents and I learned a lot about <i>Evita</i> and were able to thoroughly discuss her and her life. As I have studied her life, I gave my residents more information about her after the play.
4/14/2008	Relay for Life Applebee's dinner -We supported Relay for life by attending the Applebee's Relay for Life night. 10% of the total bill went to support the campus's Relay for Life fundraising				X	X	The Girls supported their campus communities efforts to fight cancer through their donations. Going out to dinner also provided them an opportunity to bond. We all earned a lot about eachother.
04/15/08	Bloomsburg Jeopardy - The Bloomsburg version of the classic game show to see how much residents know about their campus -	X				X	Residents engaged in some friendly competition while learning some Bloomsburg trivia
04/17/08	Dr. Kittle- Gave a very informative speech about geneology in regards to Race.	X		X			Dr. Kittle is a wonderful speaker. His research shows that there are a very very small number of people in the world who are 100% black or white and that racism is unnecessary because we all have some African and some European in us.
04/17/08	Tracing Genetics Back to Africa - Kehr Union Ballroom	X	X			X	Residents gathered to learn about using genetics to trace heritage back to Africa. The high number of people including whites that have a link to the continent of Africa surprises many. The presenter is a researcher who is gathering data on this matter.
04/17/08	Muslim Women- The speaker discussed the issues that Muslim woman face in our society.		X				Students learned about a different cultural, they became more educated on why people have to wear different things, such as muslim women have to wear a scarf.
04/18/08	BU Players production of Lysistrata: A modernized version of the Ancient Greek version. The women withheld sex from the soldiers in order to stop the war.	X	X	X		X	Any group of people can cause change if they have a plan and execute it well.
4/18/08	Frederick Douglass conference - Paper Presentation	X	X			X	CA discussed the political debate and its relevance in an African play.

04/18/08	Mega Bingo					X	Playing Bingo with the residents and staff was an opportunity to take a break from classes and have a good time. It also gave us a chance to try and win some money!
04/18/08	All Christian Fellowship- we all got together and fellowshiped and learned what was going on with every religious group on campus.	X			X	X	We got to learn about each group and make new friends. We also want to support each others ministries. It was a great time!
4/18/08	Camping Trip - Residents spend a night out in the woods.	X	X	X		X	We learned not to camp into the first day of spring turkey season, and not to put our food where a hunter will sit the following morning
04/19/08	SPCA - went to the SPCA and walked dogs for a few hours.				X	X	Assist in the development of connection, commitment, teamwork, participation, leadership, confidence, and investment in the community at large.
4/19/08	Gospelrama	X	X		X	X	Residents participated in Christian fellowship with the BU Gospel Choir.
04/19/08	Quilt making program for Housekeeper.		X		X	X	The residents were able to participate in a really fun gift for the housekeeper to show their appreciation.
04/21/08	Get Pumped For Relay! residents were invited to watch the movie Enchanted and enjoy snacks. While those on Team Enchanted tie-dyed t-shirts that the entire team would wear on Friday and Saturday for Relay For Life.			X	X	X	My residents had time to bond with their CA's while they prepared for a Relay event that would benefit the Bloomsburg community and raise awareness relating to cancer.
4/22/08	Earth Day - Celebrated Earth Day festivities	X			X	X	Learned about the earth and the need to protect it.
4/22/08	Blood Drive- Residents and myself gave blood in order to help the blood drive.			X	X	X	Residents learned the importance of giving blood and making an impact.
04/22/08	Empowering Achievements through Relationships			X			This program was held at Monty's Assembly Room and a couple residents and I attended. A women spoke about bettering yourself in a positive way to achieve your goals.
04/25/08	Relay for Life—a fundraiser for cancer awareness and research, students walked in memory and in honor of others who have died from, and dealt with the effects of cancer.			X	X	X	People learned how difficult it is to deal with cancer, and how that by coming together in a concentrated effort, we can raise money and support to find a cure. My team raised over \$1,000 for this event.
04/26/08	Residence Life Backyard Bash - End of Year Spring Fling on Lycoming Lawn with olympic type games, refreshments and prizes; Diversity committee presented Multicultural Musical Chairs while IMPACT committee led social games with educational materials posted		X	X	X	X	This program was a great event organized by the IMPACT committee. It united all the staffs because every staff was represented there with over 40 CAs. It allowed us to spend some time on the weekend before Reading Weekend to let loose and wrap up the year the way we started back in August. We raised money for a foster care facility, gave away fun prizes and showed residents that there is stuff to do on weekend.

04/26/08	Black Cultural Society				X		A get together among BCS members to reflect on the events that were put on throughout the current semester and a social gathering.
04/26/08	Renaissance Fair held Downtown		X		X	X	Residents walked down main street of Bloomsburg to stands that were selling their crafts, food, face painting, and entertaining the local area. They learned about the crafts that were made while enjoying the entertainment all day.
04/27/08	IMAGE performance - sign language performance group. They performed several songs from the movie Grease.	X	X	X		X	Develop skills promoting diversity, tolerance, acceptance, and education of multicultural issues/values
04/28/08	Bloomsburg University Student Theatrical Educational Drama (B.U.S.T.E.D.) Season Finale – Student actors perform stories/events that happen to everyday college students. B.U.S.T.E.D. puts a comedic spin on serious topics such as dating, STDs, self-injurious behavior, sexual assault, alcohol abuse, relationship issues, and pregnancy	X	X	X	X	X	Audience members have a great time following the story lines of the characters of the show. The stories are easily relatable to student issues. It's a nice stress relief to see some of the scenarios we face being played out on stage by our peers. We always have a great time watching what will happen next!
05/01/08	EOS				X	X	My residents being a part of Rotract went to EOS ( a therapeutic riding center) to help out.
05/02/08	Board Games - Electronic Monopoly, Rummy, Poker, Twister, Taboo, Guess Who, Jenga, Battleship, Sorry!, Checkers, Chess, Bingo in the Lounge, Plastic Bowling. Super Smath Brothers, Halo, Videogames.	X			X	X	I learned how to play with credit cards and showing us how to balance our money via credit. Playing cards with residents teaches you some new techniques to master the game.
April	Pop Tab Wars- Students brought their pop tabs from soda cans to the front desk, and whichever wing collected the most tabs won a pizza party				X		Students learned about the Ronald McDonald house and how contributing a simple pop tab from their soda can help out so much. (Collected approximately 15,000 tabs)
April	Take it Off and Donate! - Salvation Army Donation program				X		Residents felt good about helping others out by donating the clothes they don't wear anymore (collected two move-in carts worth of clothing)
April/May	Meals/Food Socials - ate lunches and dinners with residents at Commons, Union, Starbucks, Monty's, Breakfast with Roongo in the Lobby, Rtia's Water Ice, Big Challenge, Building BBQ, Ice Cream Bash, Spaghetti Dinner in Hall, Diversity Pizza, Lookout Cookout to raise funds for SPCA, Dominoes with Dominos, Cookie Baking for Relay for Life, Pancake Bar, A Day at the Races outdoor BBQ, A Taste of Europe - food from around the world	X	X	X	X	X	We learned more about each other and the value of building friendships. Through this relationship the residents are better able to trust me more and I find that they come to me with their concerns and problems more often. I can always see how my residents days are going and how they are doing overall. We talked about family, classes, and things we can do as a wing or apt community
April/May	Impact Night (Kehr Union Building)-- promotes Christianity on campus; Campus Crusade for Cru		X		X		Religious events for students to participate in and discuss relevant topics with similar folks.
May	Ronald McDonald Food Drive - set up donation in the lobby to collect any unwanted or extra food				X		Residents were able to feel good about donating their extra food to help out the Ronald McDonald House instead of just throwing it away as they moved out.

May	Library/Study lounge/study sessions; New theme for study lounge, Finals Study Groups	X		X		X	Studying for exams and finals together helps us bond, but also helps us understand the information better. Having a decorated study lounge is a good way for everyone to be relaxed to study and motivates people to help each other out. Great hit with residents!!
April/May	Sports/Athletic Events with residents on and off campus, at the rec center, upper campus or town park (wiffleball, softball, basketball, flag football, ultimate frisbee, intramural soccer, running, cycling, lifting, yoga) Girls Lacrosse Game vs Lock Haven, Dodgeball Tournament, Volleyball Tournament with donations			X	X	X	Playing sports with residents gets them involved with other residents on the wing/building. It's a great way to bond, participate, create teamwork, learn sportsmanship, and share in a common goal while getting exercise. Some residents learned the fundamentals of certain sports because they had never played them before.
April/May	Movie/TV Nights - Charlie Wilson's War, The DeVinci Code, Definitely Maybe, Invisible Children, Midnight City, Crash, The Bucket List, Definitely Maybe, Zoolander, Before the Devil Knows You're Dead, The Bucket List, Babel, 300, National Treasure: Book of Secrets, Family Guy, Survivor, The Real World Hollywood, The Hills, Smallville, Big Brother Season Finale, American Idol Gives Back	X	X	X	X	X	Some movies were just to hang out, relax and have a good time. Other movies generated important and interesting conversation with one another. They all built community amongst residents and promoted campus spirit.
April/May	Social Activities - Walking around Dorm with residents on our rounds, Casual Walk Downtown, Merry Unbirthday Tea Party, Candy Chat, Monthly Door Tags, Tie Dying, "A" party to celebrate good academics, Spring Concerts, Yearbook Chat	X	X	X	X	X	These light activities were spontaneously organized and allowed CAs to bond with their residents outside fo classes, chat and take in the Bloomsburg community resources.
April/May	Bulletin Boards- Hazards of Smoking, Fact or Fiction, "April Showers bring May Flowers", Summer Expectations, Sun Protection, Mario Bros, "World Hunger Awareness", Earth Day, Lobby Decorations, Self Esteem, Interviewing Tips, Mission Central, Lookin' Good - The Importance of Interview Attire, Slow N' Steady - How to Ease Back Into Shape for Spring, Eating Disorders, Obsessive Compulsive Disorder, The Birds and the Bees - Birth Control and STD Awareness, Go Green, Pet Adoption, Earth Day, You're a Poet and Didn't Know It, Board Game Trivia, Mixed Messages - The Dangers of Alcohol, Condom Sense, Breast and Testicular Cancer Awareness, Fun Food Facts, Digest This, Languages, Stress Reduction,	X	X	X	X	X	CAs displayed bulletin boards in their hallways. Some were just for fun and others were concerning important topics of the month. Residents learned interesting and/or little known facts about all of the topics. These topics affect a majority of all college students at one time or another, so having this information displayed where students can access it easily could potentially have a profound positive impact on them in a variety of ways.
