## Guidelines to Recycling at Bloomsburg University

### MIXED OFFICE PAPER

- Includes COLOR and WHITE
- No glossy and window envelopes
- Prefer NO staples, but will except them

### GLASS AND PLASTIC

- Mixed together is O.K.
- All containers must be emptied of liquids
- NO metal caps, NO metal rings, and NO plastic caps
- Only # 1 and # 2 PLASTIC BOTTLES ARE ACCEPTED

\*\* Procedures for glass and plastic at the Apartments require sorting **color glass and plastic separately** in their respective containers\*\*

### ALUMINUM CANS

- All cans must be emptied of liquids
- REMEMBER to SAVE the TABS (*they can be delivered to the Ronald McDonald House in Danville*)

### NEWSPAPERS

- Can include circulars and inserts with them

### MAGAZINES and CATALOGS

- Can be dropped off outside of the SOLVE Office in separate box
- Look for other boxes/blue containers around campus and in offices for magazines & catalogs

**VERY IMPORTANT: No Trash and No Liquids may be discarded with recycling materials!**

This would include such food service items as coffee cups, wrappers, juice boxes, pizza boxes, etc....

All beverage containers must be emptied of liquids before recycled.

Also, do not recycle the wrappers from the copy paper packages.

*Unfortunately, Recycling Materials that are contaminated by waste or liquid may not be eligible for recycling and may need to be discarded as regular trash!*
